The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVE AGREEMENT WITH ASYLUM ENTERTAINMENT
DEVELOPMENT DEPARTMENT, INCORPORATED,
REGARDING REALITY TELEVISION SHOW
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Chair of the Board of Supervisors to sign the Access and License Agreements authorizing Asylum Entertainment Development Department, Incorporated (Producer), to develop and produce "reality" television/cable programs, which will depict the Los Angeles County Sheriff's Department's (Department) Arson and Explosives Detail.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Producer proposes to produce a high quality television/cable program depicting the Department's Arson and Explosives Detail. The Producer intends to film the daily activities of Arson and Explosives Detail personnel within various functions and related Department activities. The Producer will also use the Department's intellectual property such as the star, uniform patch, "A Tradition of Service" slogan, and the "Los Angeles County Sheriff's Department" name in the program.

The Access and License Agreements (Agreement) provides benefits for the County, including compensation, and the ability to control the use of the Department's intellectual property. The Agreement will ensure that the intellectual property retains its integrity and strength. The program will showcase important work performed by the Department.

A Tradition of Service

Implementation of Strategic Plan Goals

Approval of the proposed Agreement will support the Los Angeles County Strategic Plan Goal 4, Fiscal Responsibility, by strengthening the County's fiscal capacity, effectively managing the resources we have, and increasing public-private partnerships.

FISCAL IMPACT/FINANCING

The agreement provides the following economic terms:

Option: The Producer has an initial option period of six (6) months. If the Producer elects to exercise its option to license the rights and obtain the access set forth in the Agreement, the Producer will pay the County five percent (5%) of the license fee the Producer receives, with a floor of \$7,500 plus the following amounts:

Profit Participation: Ten percent (10%) of one hundred percent (100%) of the Producer's profits in the series. No other entity, including the Producer, may receive a more favorable definition of profit than the County.

Clearance Expenses: Legal fees incurred by the County's outside counsel in connection with review of the pilot, presentation, and each episode, not to exceed \$1,000 for a half-hour episode.

In addition, the Producer has agreed to reimburse the County for its legal costs and fees incurred in the negotiation and preparation of the Agreement, not to exceed \$10,000.

The amount of revenue to the County will depend upon whether the Producer is able to obtain a licensing Agreement with a network and the amount of the licensing fee and profits.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Significant legal terms of the agreement include the following:

Rights: The County grants to the Producer a non-exclusive license to film and record certain property, intellectual property, and/or trademarks owned/controlled by the County for use in the series.

The County will provide access to Department personnel for the purpose of filming and recording a reality television series depicting the daily activities of the men and women of the Department, while on and off duty, including the Arson and Explosives Detail and related specialized units of the Department. No custody operations shall be included.

The television rights, which will be granted to the Producer, includes the right to exhibit the series on free, pay, or subscription television. The grant of rights specifically prohibits any merchandising rights in the property. In the event any person employed by the Producer pursuant to the Agreement is a member of any union or entertainment guild, the Producer agrees to become a signatory to the union or guild and comply with the provisions of the applicable bargaining Agreement for purposes of producing the program.

Security Controls

All access to the Department's personnel, facilities, and investigations are subject to prior approval and sole and absolute discretion of the Department. The Department will allow the Producer to observe Department employees performing their usual duties (subject to the employee's consent and execution of appropriate releases), provided that recording does not interfere, whatsoever, with the performance of the duties of Department personnel. The Producer is required to comply with instructions of County personnel. The Department has the right to prohibit any employee or agent of the Producer from filming or participating in the production and limit the number of employees. The Producer also agrees not to air or distribute any of the film until any associated criminal case has been completed or identification of criminals and officers are blurred, unless the Producer receives prior written permission from the District Attorney's Office. The Producer also agrees to comply with any requests or subpoenas from the District Attorney's office for footage and agrees to provide the County with all unused or unapproved footage.

Privacy Controls

The Producer is solely responsible for and must obtain consent, release, and permission from all non-County employees to be interviewed, utilized, or portrayed in the production, and agree that County employees will not be involved in obtaining any form of consent from non-County employees. The Producer indemnifies the County against all expenses related to any claims related to failure to obtain such releases.

The Producer is prohibited from accompanying, or requesting to accompany, deputies into areas that are not accessible to the public, including areas where deputies gain access by virtue of their authority as peace officers, including homes, ambulances, private businesses, or private dwellings. Violation of this prohibition is cause for immediate termination of the contracts.

Creative Controls: The Department will be provided with copies of videotapes of the programs at least fifteen (15) days before the program is scheduled to broadcast. The County will have the sole discretion to require the Producer to edit, revise, or eliminate sensitive, privileged, and confidential information, and information which may increase the risk of liability to the County or may be in violation of any law or violate any individual's or County employee's rights. The Department will have the sole discretion to require the Producer to edit, revise, or delete any scenes, which the County determines inaccurately depicts the Department or its employees. The Producer agrees not to derogatorily depict the County, the Department, or their employees, officers, and agents. In order to preserve the strength of the intellectual property and prevent its denigration or tarnishment, the Producer will use the intellectual property in accordance with the Department's guidelines.

Cost Controls: The Producer will create, develop, and film the program at no cost to the County. If any costs (i.e., use of County facility) are incurred by the County, the Producer will pay the County the appropriate fees. The Producer is prohibited from requiring or requesting Department employees from performing any reconstructed scene, however, off-duty Department employees may provide verbal descriptions of the scenes subject to appropriate releases. Any technical or factual advice provided to the Producer by Department employees must be done on personal time, except for a technical and factual advisor who will be assigned with regard to use of the Department's property (e.g. badge, logos). The Department's technical advisor is an existing deputy position stationed at Sheriff's Headquarter's Bureau, assigned to the Film and Media Section, who is responsible for overseeing all ongoing Department film and media projects.

CONTRACTING PROCESS

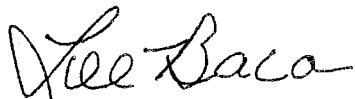

As the Agreement does not constitute a contract for services or involve the purchase of goods or commodities, the customary Board-mandated provisions required in such an Agreement are not necessary in this instance.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Agreement will have no direct or significant impact on current services. The programs will be developed and made at no cost to the County. Successful television programming is anticipated to have a positive impact on the morale of County employees, particularly those in the Department, and may positively affect the Department's ongoing recruitment efforts.

Sincerely,

This agreement ("Agreement") dated as of October____, 2007 is entered into between the County of Los Angeles, a public government agency having a principal place of business at 4700 Ramona Boulevard, Monterey Park, California 91754 (hereinafter referred to as "County") and Asylum Entertainment LLC, a California corporation having a principal place of business at 7920 Sunset Boulevard, Second Floor, Los Angeles, CA 90046 (hereinafter referred to as "Producer"). This Agreement shall be effective upon the later of full execution of this Agreement and the date the Agreement is approved and executed by the County of Los Angeles Board of Supervisors ("Board of Supervisors").

This Agreement is entered into upon the following set of facts:

RECITALS

2. Producer is interested in developing and producing a reality, non-scripted a half hour (1/2) or one (1) hour television series ("Series") currently entitled "L.A. Bomb Squad" for exhibition as set forth in paragraph 1(a) below. The Series shall profile the elite members of the LASD's Arson and Explosives Detail. The initial television episode ("Episode") and any additional Episodes produced pursuant to this Agreement shall be collectively referred to as the "Series."
3. In order to develop and produce the Series, Producer is seeking (i) access (the "Access Rights") on a non-exclusive basis to the personnel and facilities of the LASD Arson and Explosive Detail ("LASD Featured Department") as more specifically set forth in Paragraph 4 below and (ii) a non-exclusive license ("License") to film and record certain property, intellectual property and trademarks owned and/or controlled by the County as set forth in Exhibit A attached to this Agreement and incorporated into this Agreement by this reference (collectively the "Property") for use in the Series only. The Access Rights and the License are sometimes referred to collectively in this Agreement as the "Rights." For the avoidance of doubt, the County grants no merchandising rights in the Property.
4. County has developed and created rights in the Property and has secured copyright, trademark and service mark registrations in the United States for some of the items listed as Property on Exhibit A. Exhibit A is not an exhaustive list of all property, intellectual property and/or trademarks owned and/or controlled by the County. County has and will continue to police, monitor, and regulate the use of its Property to retain the integrity and strength of its Property and to ensure the favorable and positive identification of the Property and County and the LASD, whether or not such Property has been registered.

5. County believes that a high quality television production such as contemplated by Producer under this Agreement can serve to further enhance its image and to promote the LASD's core values (hereinafter referred to as the "Core Values") which are attached to this Agreement as Exhibit B and incorporated into this Agreement by this reference.

6. Producer believes it would be to its advantage to facilitate the production of a high quality, credible television series portraying the LASD.

7. County would like to grant the Access Rights and the License to the Property to Producer on a non-exclusive basis in exchange for compensation and the other promises contained in this Agreement; and

For good and valuable consideration and in further consideration of the mutual promises set forth in this Agreement, the parties agree as follows:

Los Angeles County Sheriff's Department

Core Values

As a leader in the Los Angeles County Sheriff's Department,

I commit myself to honorably perform my duties with

respect for the dignity of all people,

integrity to do right and fight wrongs,

wisdom to apply common sense and fairness in all I do and

courage to stand against racism, sexism, anti- Semitism,

homophobia and bigotry in all its forms.

EXHIBIT C

SHERIFF'S STAR

Always use the Sheriff's Star and the 1850 Sheriff's Star (collectively "Star") in an approved form. The Star should always be presented in the recommended style as shown in EXHIBIT "E." Changes or alterations in the Star are not allowed. Any variation must be cleared through the Los Angeles County Sheriff's Department, Headquarters Bureau.

In general, the trademark symbol, "tm", must be used with every occurrence of the logo. Also, the "tm" symbol should be used in the lower right hand corner of the Star. When the Star is used, it should be included in a footnote, if possible, that LASD is the owner of the trademark and the use of the subject mark may only be granted by license.

Placement Requirements

A minimum amount of empty space must be left between the Star and any other object such as type, photography, borders, edges, etc. The required area must be ½ x where "x" equals the height of the symbol when it is used by itself.

You may not combine the Star with any other feature including, but not limited to, other logos, words, graphics, photos, slogans, numbers, design features or symbols.

Color Treatment

The preferred color treatment for the Star is the four-colored application. This treatment used the color gold for the 6 tips of the star, the color blue for the circle incorporating the wording SHERIFF LOS ANGELES COUNTY, the color beige for the interior of the circle, and the color gray-blue for the depiction of the bear. If examples of the preferred color treatment are desired, please contact LASD, Headquarters Bureau.

One-Color Applications

The Star may also appear in one-color applications. All black is the preferred color. However, any color that provides sufficient contrast with the background is acceptable.

The usage guidelines continue on the attached pages 5 and 6 of the LASD's "Organizational Identity Manual, 2002", to the extent they apply to the Series.
